## COOL 07

**Bad Kreuznach, Germany  
September 10-14, 2007  
hosted by GSI Darmstadt.**

The workshop on beam cooling and related topics will take place at the Parkhotel in Bad Kreuznach from September 10 to 14, 2007. Information can be found on the workshop homepage <http://cool07.gsi.de>.

### Contributions

The deadline for submission of abstract has passed. Nevertheless a few contributions for poster presentations can still be accepted.

Paper submission has started. The papers will be published with JACOW. The papers must be submitted before the workshop, the deadline is September 7, 2007. Only papers which are presented in talks or as posters during the workshop can be published.

The papers will be edited during the workshop and should be available a few weeks after the conference. The style of the papers is the one well known from particle accelerator conferences (PAC, EPAC,...). The page limit is 5 pages for invited speakers and 4 pages for all others. Authors should bring a printed copy of the paper to the conference. All necessary information for paper publication can be found on the JACOW webpage.

We ask all authors to respect the deadline for paper submission before the conference, which is crucial for immediate publication of the proceedings.

### Oral Presentations

A personal computer operating under Windows XP will be available for the electronic presentations. The following software will be installed on the PC:  
PowerPoint 2002, OpenOffice 2.2.1, Acrobat Reader 8.1.

An overhead projector for transparencies will also be available.

The time for oral contributions (invited and contributed) is 25 + 5 minutes. Four talks of broad general interest on Monday morning have a total of 45 minutes (35 +10 ). In order to provide enough time for discussion the time limit (25/35 minutes) for the talk should not be exceeded.

## Posters

Poster boards with a size of 2 m height and 1 m width will be provided. The posters should be mounted after the Thursday morning session and should be manned Thursday afternoon between 2.30 and 4.30 p.m. Mounting material will be provided.

## Hotel

The deadline for reservation of rooms in the Domina Park Hotel is July 22, 2007. After this deadline availability of rooms cannot be guaranteed, although a few might still be available.

## Registration and Workshop Fee

The deadline for the reduced workshop fee of 520.- € is July 29, 2007. After that date the regular fee of 600.- € applies. The workshop fee includes all coffee breaks and a lunch buffet (Monday to Thursday), welcome reception (Sunday) and the workshop dinner (Wednesday).

The workshop fee should be paid by bank transfer or credit card. Payments must be made in Euros. Payments during the workshop can be made cash only. On the first day of the workshop (Monday) a possibility for credit card payment is foreseen.

## Visit to GSI

Those who are interested in visiting GSI should contact the conference secretary [cool07@gsi.de](mailto:cool07@gsi.de). A visit might be arranged on the afternoon of Friday, September 14, individual visit can be arranged before or after the conference.

## Program and Proceedings

The detailed program will be available soon on the COOL 07 homepage <http://cool07.gsi.de> or on <http://bel.gsi.de/cool07/index.htm>. Authors can check the time of their talk from the program code in the JACOW system. The first two letters indicate the day of the week, the third letter is Morning or Afternoon session and the fourth letter is the type of presentation (Invited talk, Contributed talk or Poster).

## Visa

Those participants who have to apply for a visa (e.g. Russia, Ukraina, China, India,...) are requested to contact the workshop secretary by email to [cool07@gsi.de](mailto:cool07@gsi.de) as soon as possible. The invitation does not imply any undertaking to support the participant financially.
